Dear Bill,

Thank you on behalf of the Schuylkill County Sportsmen's Association for the \$1,000 grant which was used to purchase muzzleloading rifles and supplies for use at our annual Youth Field Day, three-day Norm Thornburg Youth Conservation Camp and Women's Outdoors Day.

In these times of rising expenses and declining income, organizations such as ours would be unable to continue our outdoors-related youth and women's programs without the financial assistance of organizations such as the Forks of the Delaware Historical Arms Society and Lehigh Valley Firearms Coalition.

Sincerely,

Doyle Dietz
